

STRASBURG YOUTH CHEERLEADING LEAGUE
P.O. Box 84
Strasburg, VA 22657

Dear Friends and Supporters of Youth Cheerleading,

Each year the Strasburg Youth Cheerleading League, a 501(c)(3) non-profit, offers an opportunity for the youth of our area to participate in a structured physical activity that provides exercise, team participation experience, self-esteem building, and good old-fashioned fun. The children cheer at football games and participate each year in a cheer competition.

Through the generosity of patrons and sponsors such as you, we are able to provide practice facilities, uniforms, equipment, and other necessities to support this valuable program and give the youth of our area a quality life experience.

In return for a tax-deductible donation of any size, your business or personal name will be announced at home games as well as displayed on our website and Facebook.

Please give your kind consideration to our request for your support and donate generously to:
